COUNCIL COMMUNICATION

AGENDA TITLE: Intention to Vacate Vine Street from Southern Pacific Railroad (SPRR) Right of Way to 100 Feet East of Vine Street

MEETING DATE: June 2, 1999

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution of intention to abandon the west 100 feet of East Vine Street, as shown on Exhibit A, refer the matter to the Planning Commission, and set it for public hearing at the regular Council meeting of July 7, 1999.

BACKGROUND INFORMATION: Pacific Coast Producers (PCP) requested that the west 100 feet of Vine Street be abandoned in order to secure the property so forklifts can cross the street without having gates to go through. Additionally, the fence blocking the railroad tracks at Vine Street is periodically vandalized and schoolchildren use this area to cross the tracks. With the installation of another fence across Vine Street, the likelihood of children crossing two fences to cross the tracks is lessened. Only PCP, who owns the property on either side of the street, uses this portion of Vine Street. The abandonment of this portion of the street will also decrease the forklift traffic now using other portions of Vine Street.

A permanent easement will be maintained for all water, sanitary and industrial wastewater mains, valves, meters, and manholes. City personnel will have access to these facilities at any time for routine and emergency repairs, maintenance and inspections. There will be no storage or construction on the abandoned street area. All agencies and departments have been notified of the intention to vacate, and all concerns have been met.
